

GABBA DOGGY DAY CARE

MEDICAL AGREEMENT

Ensuring that your pet remains safe and well cared for is the first responsibility of the team at Gabba Doggy Day Care. We do our best to screen for pre-existing health conditions with your assistance, but some factors may be beyond our control.

If a medical emergency arises while your pet is participating in any service that we provide it is imperative that we can immediately get them medical treatment at the closest veterinary surgery. We will call ahead to one of the veterinary offices in closest proximity geographically to us to ensure they can handle the emergency present.

Your pet will be taken to the closest available facility for treatment and you will be notified immediately by a member of our team. Our goal is to get your pet medical attention as quickly as practically possible and keep you informed.

For that reason, it is a requirement that the pet guardian signs this form, acknowledging the following:

- I understand that in the event of a medical emergency that Gabba Doggy Day Care may at its sole discretion deem it necessary to refer my pet for immediate assessment or care of a licensed veterinarian.
- I understand that a member of the Gabba Doggy Day Care team will notify me as soon as possible.
- I authorise Gabba Doggy Day Care to seek medical attention at the closest available veterinary facility.
- I further agree that I am financially responsible for any medical treatment my pet(s) receives due to a medical emergency while attending services provided by Gabba Doggy Day Care.
